

IHSA announces the election of a new Board of Directors management co-chair

The Infrastructure Health and Safety Association (IHSA) is pleased to announce the election of Ivano N. Labricciosa, P.Eng. M.Eng. MBA, to the position of management co-chair of the IHSA Board of Directors. The management co-chair is elected by the members of the Board of Directors who represent management on the board. He takes over this role from David Johnston, Director of Environment, Health and Safety at Toronto Hydro.

Ivano is currently the President and CEO of Oshawa Power and Utilities Corporation. He is a University of Western Ontario Electrical Engineering graduate, with a University of Toronto Master's Degree in Electrical Engineering, a Queen's University Master's Degree in Business Administration, and over 35 years of experience.

Ivano has brought substantial improvements to Oshawa Power and the Industry. He has served on the Boards of several electricity, energy, and engineering organizations and associations. He has held an Advisory Board position with the Engineering Faculty at the University of Toronto, the Centre for Urban Energy at Ryerson University, the Engineering Technology Program at Georgian College, and the Distribution Council at the Canadian Electricity Association..

Currently, Ivano serves as a Board Member for the Greater Oshawa Chamber of Commerce, Chair of the Board at the Oshawa Downtown Business Improvement Association, Vice-Chair of the Board at Parkwood Estates National Historic Site, and a Director for the Infrastructure Health and Safety Association Board of Directors. In addition, he volunteers his time to preserve community history, promote economic growth, and be a good citizen.

Make safety work for you. IHSA is your first step.

The Infrastructure Health and Safety Association (IHSA) is Ontario's trusted health and safety resource. Our goal is to improve the lives of Ontario workers. We provide the resources and training that control and eliminate safety hazards in work environments involving high-risk activities.

At IHSA, we have always maintained a standard of excellence. We are proud of our role in helping to make Ontario one of the safest places in the world to work.

Our focus is on workers and keeping our promise to provide them with the tools to Work Safe for Life.
