

Electrical Utility Safety Excellence and Innovation Award

Presented by:

Provincial Labour-Management
Safety Committee
Electrical-Utilities

The Award

The *Electrical Utility Safety Excellence & Innovation Award* recognizes organizational excellence and is presented annually at IHSA's Annual General Meeting to an organization that has demonstrated health and safety innovation and advancement within the Electrical Utilities Sector.

Criteria

The *Electrical Utility Safety Excellence & Innovation Award* is awarded to a member of the Utilities/Generation/Transmission/Distribution group that has contributed to the advancement of Occupational Health and Safety through completion of an innovative program, procedure, technology enhancement, project, initiative, or other significant accomplishment.

Greater consideration for the *Electrical Utility Safety Excellence & Innovation Award* will be given to nominees who value diversity and have shown due consideration for other's opinions, perspectives, and uniqueness in a way that supports the creation of an all-inclusive work environment.

Judging

The Judging Committee is comprised of voting members from IHSA's Provincial Labour-Management Safety Committee - Electrical and Utilities. These voting members will review all of the nominations and vote for this year's recipient.

*In the event of a tie, IHSA will cast the deciding vote.

Nominations

Nominations should be submitted by email or in writing, either on the attached form or by letter, and sent to:

Electrical Utility Safety Excellence & Innovation Award
c/o Infrastructure Health and Safety Association
