

WSIB's new Health and Safety Excellence program

Health and Safety Excellence
Approved provider

Earn rebates and lower your WSIB premiums

The *Health and Safety Excellence* program is a new WSIB performance-based rewards program. It integrates the strengths of the previous WSIB Small Business, Safety Groups, and Workwell programs into a new, improved model.

This new *Health and Safety Excellence* program is designed to provide businesses with a clear road map to improving their health and safety processes and systems. Participants create safer workplaces and can earn both financial and non-financial rewards.

IHSA has been selected as an approved provider

As an approved provider, IHSA will deliver services to help members develop the skills, abilities, and resources toward the implementation and completion of the *Excellence* program's health and safety topics.

Whether you are just getting started or want to optimize systems and processes you already have in place, IHSA can help you reach your goals.

Benefits to your company

- Earn rebates and lower your premiums.
- Improve your health and safety experience.
- Gain access to a team of leading health and safety experts.
- Receive exclusive access to IHSA member resources.
- Build a well-crafted and functional health and safety program.

Program features

- Employers can choose to work on one to five health and safety topics in a 12-month period.
- Flexible timelines allow employers to work at their own pace.
- Financial and non-financial recognition is based on individual participant performance.
- Employers will submit program documentation online to IHSA prior to WSIB validation.
- Employers choose where they start in the program, not necessarily at level one.
